

*Manifesto of Christopher Murphy
for KPA Activities Officer for
2017/18*

Hi! I'm Chris Murphy and I've been the Activities Officer since volunteering for the unfilled role at the very end of January.

I have so far made some suggestions and attended meetings for the planning of future activities. I would like to be elected for this role in order to have more time to do perform this role and continue working on this for the next academic year.

If elected as Activities Officer I want to:

- Work with the other elected officers and clubhouse management to help plan and facilitate events for postgraduates which cater for a range of tastes and needs.
- To build on and repeat successful events originally organised before there was an Activities Officer in place.
- To reach out and survey focus groups of postgraduates about what kinds of events they would like to see put on and what they do and do not enjoy about the Association and the Clubhouse's events as they are.
- To help with the promotion and awareness of KPA events.
- To let postgraduate students know that the KPA is there to help them organise their own events and encourage them to come forward with their ideas.
