

## **Vote Liam Searle for Student Trustee**

**I'm Liam, and I'm an MA student studying US Politics. I've been at Keele since 2014, completing my BA last year, and have spent my time here representing students as much as possible.**

As a student trustee, I'll be able to bring a wealth of experience as a student representative, both within KeeleSU and in the University.

Within the University, I served as a 3rd Year Politics StAr last year, and am currently a Student Voice Representative for my students on my Master's course. I've served on multiple committees in various societies in a number of roles, including as Treasurer of both Keele Labour Students and Young Europeans.

At KeeleSU, I've been a Societies Executive and was Constitutional Affairs Secretary last year, chairing the SU's Union Executive Committee and ensuring Officers abided by the SU Constitution.

This experience will allow me to perform the duties of Student Trustee extremely effectively.

As Constitutional Affairs Secretary, I assisted in preparing and chairing KeeleSU's General Meetings, providing crucial knowledge in how to chair General Meetings of the KPA and conducting them effectively to give all students an opportunity to speak and affect policy within their Union.

I will use my experience in representing a wide array of students in ensuring the KPA leadership acts in the interests of its members and works to support postgraduate students. Though a voluntary role, I will always be willing to hold officers to account and ensuring the KPA acts as all Student Unions should - to support you and assist you wherever possible.

## **Vote Liam Searle for Student Trustee**

**My experience in Student Unions allows me not just to perform the specific functions of the Student Trustee role, but serve with a clear understanding of both the KPA's structure and responsibilities.**

**As an engaged student, I'll come prepared for chairing General Meetings and making sure the Association's diverse student membership has a say in the running of the KPA.**

**I'll ensure the money the KPA makes from the club house and elsewhere feeds into enhancing your representation by myself and other officers, improving the postgraduate experience at Keele.**

**For an engaged and experienced Student Trustee
