

Voting opens 7 pm 25th April!

Running for Vice President of The KPA

John Wootton

As your current Association Secretary, I have relished working for the KPA and all of the opportunities it has provided me. I have focused heavily on improving communication between the committee and our membership through the ever-growing weekly digest and the development of the @KPAkeele Instagram account.

As a long-time Keelite, I have been an undergraduate, a part-time taught Master's student and a full-time Research student. I have used my experience to consult the University on mental health provisions, the postgraduate induction process and the forthcoming introduction of doctoral loans.

Elect me your next Vice President and I promise I will throw all of my energy, experience and eccentricity into creating a thriving PG community! :D

An Open and Inclusive KPA

- I'll develop a new **Communications strategy that reflects our diverse community at Keele with a view to maximising engagement with all.**

Postgraduate Welfare

- We need to push for greater provisions from the University in order to ensure adequate support is available to help postgraduate students flourish both academically and socially.

International Student Outreach

- I'll work with our International Officer and the SU to focus on involving more of our international postgraduates in new and exciting events to combat homesickness, culture-shock and loneliness.

A Green KPA

- I will take steps to minimise the environmental impact caused by the KPA's everyday practices and improve them with viable alternatives.
