## KPA Secretary Manifesto

### ABOUT ME

I have held a number of roles within the Students' Union and University and am currently working as a Wellbeing Ambassador, both planning and delivering Wellbeing Wednesday events. I am also the Students' Union's Postgraduate Officer and am working in conjunction with Student Services and the KPA organising a week of events exploring and promoting Postgraduate wellbeing.

I am a reliable and experienced member of the Keele Postgraduate community and I hope to be able to give my time to the KPA in the role of Secretary.

### WHAT I HOPE TO BRING

I will bring to the role my communication and organizational skills, ensuring that association members are kept well informed of events and that meeting minutes and agendas are accurately and comprehensively kept. As the KPA Secretary is also a Trustee, I feel my professional work as a counsellor, which requires a high degree of trustworthiness and ethical behaviour, makes me an ideal candidate.

I am passionate about the experience of Postgraduate students and ensuring that Postgraduates receive the same level of support, resources, and opportunities that are offered to Undergraduates. This is the aim of my current work organising PG Wellbeing Week which will be commencing on the 21st of May!

I also hope to help the KPA become an increasingly diverse community by working with the Equality & Diversity Officer to reach out to LGBT+ and BME PG students.
